INDEPENDENT AUDITOR'S REPORT

To: The Board of Directors of
Organización de Ex Alumnos APS Inc.

Opinion

We have audited the accompanying financial statements of **Organización de Ex Alumnos APS Inc.** which comprise the statement of financial position as of December 31, 2025 and 2024, and the related statements of operations and net assets, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Organización de Ex Alumnos APS Inc.** as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Organización de Ex Alumnos APS Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Organización de Ex Alumnos APS Inc.** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not

a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Organización de Ex Alumnos APS Inc** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Organización de Ex Alumnos APS Inc** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

ORGANIZACIÓN DE EX ALUMNOS APS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, AND 2024

1. Organization and summary of significant accounting policies:

- A) Organization - Organization de Ex Alumnos APS Inc., the “Organization”, is a not-for-profit corporation organized on September 14, 2010, under the laws of the Commonwealth of Puerto Rico. The Organization's purpose and objective is to stimulate, promote and request to the Academia Perpetuo Socorro (“APS”) Alumni, voluntary donations, bequeaths, and contributions of any nature to provide for the establishment and management of a financial aid and scholarship fund for underprivileged, but talented students. The Organization also strives to perpetuate the traditions, memorabilia, purpose, growth and general institutional and academic progress of APS, their students and their alumni.
- B) Significant accounting policies - The accounting policies followed by the Organization conform to predominant non-for-profit practices applicable to these organizations, which are in accordance with Accounting Principles Generally Accepted in the United States of America (“GAAP”). The following summarizes the most significant accounting policies:

Basis of presentation - Not-for-profit organizations are required to present a statement of financial position, a statement of activities, and statement of cash flows. Management of the Organization has reclassified some items in these financial statements for the purpose of clarifying the presentation. In addition, net assets are classified in one or more of the following categories:

- Unrestricted net assets - Resources available to support general operations. These resources are unrestricted as to their use and expendable at the discretion of the Board of Directors. The unrestricted net assets include funds functioning as an endowment through designation of the Board of Directors for the economic assistance program.
- Temporarily restricted net assets- Resources that are restricted by a donor for use in a particular purpose or in a particular future period.
- Permanently restricted net assets- Resources whose use is limited by donor-imposed restrictions that neither expires by being used in accordance with a donor's restriction nor by the passage of time.

As of December 31, 2025, and 2024, the Organization has restricted cash of \$28,027 and \$15,527, respectively.

Accounting estimates - The preparation of the financial statements in conformity with GAAP accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the audited period. Actual results could differ from those estimates.

Cash and cash equivalents - The Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

ORGANIZACIÓN DE EX ALUMNOS APS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, AND 2024

Promises to give - Promises to give consist of unconditional written or oral agreements to receive cash or other assets. Unconditional promises are recognized as contribution revenue at fair value in the period received. Fair value is based on the present value of the future cash flows the Organization expects to collect. There are no promises to give as of December 31, 2025, and 2024.

Allowance for doubtful accounts – The allowance is determined based on prior years' experience and management's analysis of specific individual accounts. There is no allowance for doubtful accounts as of December 31, 2025, and 2024.

Investments - Consist principally of equity securities, mutual funds, and exchange-traded funds. Investments are carried at fair value determined using quotations obtained from brokers' monthly statements. Unrealized gains and losses are reflected in the Statement of Financial Position.

Fair value measurements - Fair Value Accounting establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the assets or liability in an orderly transaction between participants on the measurement date. Fair value requires an organization to determine the unit of account, the mechanism of hypothetical transfer, and the appropriate markets for the asset or liability being measured.

This guidance establishes a hierarchy of valuation inputs based on the extent to which the inputs are observable in the marketplace. Observable inputs reflect market data obtained from sources independent of the reporting entity, and unobservable inputs reflect the entities own assumptions about how market participants would value an asset or liability on the best information available. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value.

The three input levels are as follows:

Level 1 - Quoted prices in active markets that the Organization has the ability to access for identical assets and liabilities for which significant observable inputs exist. Market price data is generally obtained from exchange or dealer markets. Investments included in Level 1 may include certain equity securities, registered mutual funds and exchange traded funds.

(Space left in blank)

ORGANIZACIÓN DE EX ALUMNOS APS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, AND 2024

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the same term or assets or liabilities. This includes use of model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Inputs are obtained from various sources included market participants, dealers and brokers, investments included in Level 2 may include certain money market and fixed income securities for which observable inputs exist and are traded in markets not considered to be active.

Level 3 - Unobservable inputs, as they trade infrequently or not at all, that are supported by little or no market activity and that are significant to the fair value or the assets or liabilities.

The Organization maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. Fair value is based upon quoted market prices which are generally available for most investments. If listed prices or quotes are not available, the Organization employs models developed by vendors of pricing services that primarily use market-based inputs including yield curves, interest rates, volatilities, and credit curves, among others. Valuation adjustments are limited to those necessary to ensure that the financial instrument's fair value is adequately representative of the price that would be received or paid in the marketplace. These adjustments include amounts that reflect counterparty credit quality, constraints on liquidity and unobservable parameters that are applied consistently.

Following is a description of the Organization's valuation methodologies used for assets measured at fair value.

Equity Funds - Equity securities with quoted market prices obtained from an active exchange markets are classified as Level 1. The Organization did not have any investment in Equity Funds as of December 31, 2025.

Fixed Income—This type of investment security pays interest or dividends at a fixed interest rate until maturity day. As of December 31, 2025, and 2024, the value of U.S. Treasuries was \$24,604 and \$21,203, respectively.

Mutual funds - These funds are generally open-end and traded at net asset value. These funds are classified as Level 1. The market value of equity securities as of December 31, 2025, and 2024, is 34,156 and \$32,695, respectively.

Exchange-traded funds - These funds are traded on stock exchanges, much like stocks. They combine the valuation feature of a mutual fund or unit investment trust, which can be bought or sold at the end of each trading day for its net asset value, with the tradability feature of a closed-end fund, which trades throughout the trading day at prices that may be more or less than its net asset value. These funds are classified as Level 1. The market value of equity securities as of December 31, 2025, and 2024, are 231,364 and \$200,640, respectively.

ORGANIZACIÓN DE EX ALUMNOS APS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, AND 2024

Revenues and support - The Organization derives its revenues from contributions from corporations, individuals, government, members, and activities organized to raise funds during the year. Membership dues are recognized in earnings over the membership period. Revenue received from these dues, which relate to subsequent years, is reflected as deferred revenues. Admission revenues are recognized when the activity is held. Promises to make donations are recognized when these are legally enforceable. All the donations are considered available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases the net assets of those net asset classes. A donor restriction expires when a stipulated time restriction ends and when a purpose restriction is accomplished. Upon expiration, temporarily restricted net assets are reclassified to unrestricted net assets. They are reported in the statement of activities and changes in net assets as net assets released from restrictions. However, if a restriction is fulfilled in the same period the contribution is received, the Organization reports the support as unrestricted.

Contributed services - Contributions of services are only recognized if services received: (a) create or enhance non-financial assets or would typically need to be purchased by the Organization if not provided by donation; (b) require specialized skills and are provided by individuals possessing those skills. The contribution revenue for services received is recognized at the fair value of those services.

Contributed services for the year ended December 31, 2025, and 2024 the amount of contributed service, amounted to \$7,200 and \$7,200, respectively.

Deferred revenues - The Organization bills the membership dues at the end of the previous fiscal year. The revenues from the membership collected in advance and related to future periods are deferred and are recognized as revenues in the corresponding fiscal year. As of December 31, 2025, and 2024, deferred revenues amounted to \$646 and \$ 646, respectively.

Membership revenues – The revenue from membership dues, as presented in these financial statements, reflects some differences between the years ended December 31, 2025, and 2024, respectively. An analysis of the two years together reflects that absent of the recognition realized, the Organization had generated approximately \$625 and \$ 605 of membership revenues for the years ended December 31, 2025, and 2024, respectively.

Advertising costs- The Organization follows the policy of charging the advertising costs to expense as incurred. As of December 31, 2025, and 2024, advertising costs were \$0 and \$1,473, respectively.

Income tax -As a not-for-profit corporation, the Organization is exempt from local income taxes under the provision of Section 1101.01 (a)(3) of the Puerto Rico Internal Revenue Code of 2011, as amended, and from federal income taxes under the provision of Section 501(c)(3) of the United

ORGANIZACION DE EX ALUMNOS APS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025, AND 2024

States Internal Revenue Code of 1986, as amended. Both tax laws require the Organization to comply with specific requirements to maintain its status as a not-for-profit organization.

2) Concentration of credit risk:

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash deposits. The cash deposits, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation (“FDIC”) of \$250,000 per financial institution. As of December 31, 2025, and 2024, all cash deposits were fully insured by the FDIC.

3) Investments:

As of December 31, 2025, and 2024, respectively, Investments consisted of the following:

<u>Description</u>	<u>2025</u>		<u>2024</u>	
	<u>Cost Basis</u>	<u>Fair Value</u>	<u>Cost Basis</u>	<u>Fair Value</u>
Cash and Bank Sweep	\$ 1,410	\$ 1,410	\$ 1,943	\$ 1,943
Mutual Funds	34,340	34,156	34,340	32,695
Fixed Income	24,276	24,604	22,898	21,203
Exchange-traded funds	145,374	231,365	141,225	200,640
	<u>\$ 205,400</u>	<u>\$ 291,535</u>	<u>\$ 200,406</u>	<u>\$ 256,481</u>

4) Designated net assets:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 21,002	\$ 20,766
Cash and cash equivalents – Restricted	28,027	15,527

(included as investment)	<u>\$ 50,439</u>	<u>\$ 38,236</u>

ORGANIZACION DE EX ALUMNOS APS INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

5) Subsequent events:

The Organization evaluated subsequent events through July 8, 2026, the date on which the audited financial statements were available to be issued. There are no material subsequent events that would require further disclosure in the Organization audited financial statements aside from those described above.
